## Certificate of Compliance

### Restriction of Hazardous Substances (RoHS) Directive

### Restriction, Evaluation, Authorisation and Restriction of Chemicals (REACH) European Regulation EC 1907/2006

#### RoHS Declaration:

We confirm that all products supplied by Printasleeve Ltd conform to RoHS 3 Directive (EU) 2015/863 amending Annex II of the RoHS 2 Directive 2011/65/EU in relation to the limitation of dangerous substances without exemption in electric and electronic equipment (RoHS Directive)

#### REACH Declaration:

The REACH Regulation EC 1907/2006 came into force in June 2007 and the Substances of Very High Concern (SVHC) list was last updated and published by The European Chemical Agency (ECHA) in June 2022. Printasleeve Ltd is aware of its obligations relating to the REACH regulation and has taken all necessary actions in accordance with such.

As downstream users for all substances and articles used at Printasleeve Ltd, we rely on our suppliers for the pre-registration of all raw materials and have received information from these material suppliers confirming that they have fulfilled their responsibilities regarding pre-registration of raw materials.

Accordingly, we can confirm that the raw materials we use do not contain any substances classified as substances of very high concern (SVHC) in a concentration above 0.1% (1000 ppm) by weight as per the candidate list of the European Chemicals Agency (ECHA). We further state that we are not intentionally using or adding any products containing the aforementioned SVHC in concentrations in excess of 0.1% w/w

*Please do not hesitate to contact us should you require additional information on any of the above.*
